## Freelance Engineers wanted!

We're Hiring!

We are looking for freelance audio engineers to work on our wide variety of gigs, from festivals, stadium shows, arena shows and all forms of live music. We are looking for experienced FOH and monitor engineers, System technicians, DJ technicians and stage technicians. Experience working on large format PA systems is a bonus. Experience with sound system tuning is favourable. We work a variety of events each year including Glastonbury Festival, Cocoon in the Park Festival, Transmission Festival Prague, and many more.

If you are interested in joining our crew of freelance engineers please email a CV to [stefan@audio-plus.co.uk](mailto:stefan@audio-plus.co.uk) with the subject line 'Freelance'
